

## WHY CHOOSE HUNGRITOS

- A Potato for every Meal
- Consistency that's Flavourful
- Superior Technology with great Value

### Experience

We are enriched with 40 years of expertise in knowing the roots of potato cultivation and processing.

### Consistency

It becomes very easy to define the portion size of a serving and deliver consistent products to the customers.

### Longer Shelf Life

The shelf life of our products is 12 months from the date of manufacturing, when stored in appropriate conditions.

### Cost Effectiveness

Our instant, fry and serve products help reduce wastage manifolds and save labour cost.

### Convenience

Say good-bye to cutting, peeling and boiling potatoes. Just fry straight from the freezer and our delicious products are ready to be served in a few minutes.

### Multipurpose Cooking

Our products can span through a wide range of cuisines and All-Day-Long menus, offering food solutions to Hotels, Restaurants, Bars, Bistros, Cafes, Caterings etc.
